

NOTICE FROM CO2METER

CO2Meter, Inc. is writing to inform you that the **calibration information** for your CM-1000 Multi Gas Sampling Data Logger can be found stored on the SD card that is provided with the device.

Please note: Do not remove or delete any of the files on the SD card until you have saved the calibration information on your own device.

Should you have further questions or concerns, please contact the sales team at sales@co2meter.com.

Thank you!

The CO2Meter Team
